PAID STAMP DUTY

Blakesley Estates are offering their *Paid Stamp Duty Scheme* on Karsbrook Green properties. This means that Blakesley Estates will pay up to 5% of Stamp Duty fees upon purchase of a Karsbrook Green property. This can give buyers a saving of up to £23,750.00 in the purchasing of their new home.

HOW MUCH DO I OWE IN STAMP DUTY NOW?

Please see the chart below, for the Stamp Duty percentages per property price bracket which is applicable only to one property; this would vary for property owners of a number of properties. It's a tiered system, meaning you don't pay the full rate on the entire property price, just the amount that dips into each tier. Here's a snapshot of the different brackets:

PORTION OF HOME PURCHASE PRICE	RATE OF STAMP DUTY
£0 - £250,000	0%
£250,001 - £925,000	5%
£925,001 - £1.5 million	10%
Above £1.5 million	12%

DO I NEED TO PAY STAMP DUTY?

If you're buying a property or a piece of land in the UK, in most cases you will have to pay stamp duty. For residential property or land, stamp duty is payable if the price is £250,000 or more.

However, there is relief for first-time buyers (see below).

FIRST-TIME BUYERS

If you're buying a home for the first time you'll get Stamp Duty relief. This means you won't pay any Stamp Duty on the first £425,000 provided the property price is £625,000 or less. Above the £425,000 threshold, stamp duty is charged at 5%.

So if you were to buy a home for £500,000 your Stamp Duty would be calculated at 5% of £74,999 – you'd pay just under £3,750. If the property is over £625,000, follow the stamp duty rules for non-first time buyers (see above).

BUY-TO-LET AND SECOND HOMES

If you're buying another property to let, or a second home, or you are not selling your primary home, then your Stamp Duty will be 3% higher at each slice.

Blakesley Estates will only offer their *Paid Stamp Duty Scheme* for up to 5% Stamp Duty.

TERMS AND CONDITIONS

- Blakesley Estates' *Paid Stamp Duty Scheme* will only be offered on the first 5 houses sold from the commencement of the scheme's start date of Monday 25th March, 2024
- Blakesley Estates' *Paid Stamp Duty Scheme* is only available to Blakesley Estate house sales where Stamp Duty will be applied
- The *Paid Stamp Duty Scheme* is limited to a number of sales, meaning Blakesley Estates reserve the right to refuse the scheme on a Blakesley Estates sale if the maximum number of homes sold under the scheme has been reached

PART EXCHANGE

Blakesley Estates work alongside **PX Partnership**, the UK's leading Part Exchange provider, to give our buyers more options when purchasing their new home with us.

On average Part Exchange options dramatically reduce the time it takes for a buyer to move into their home. 'It takes an average of 50 days to find a buyer in the UK and a further 12 weeks to complete the sale. Almost half of all house sales fall through before completion. Opting for a part-exchange house means no waiting for the right buyer and a simpler, expedited sales process.'

(Home Truths)

SO WHY CHOOSE PART EXCHANGE?

1. QUICK OFFERS – No need for you to place your property on the market and wait for a buyer to be found
2. CERTAINTY – Avoid last minute price renegotiations that can occur with a conventional sale
3. NO AGENT FEES – By choosing Part Exchange you can avoid paying estate agent fees, potentially saving you thousands of pounds
4. NO CHAINS – Avoid delays, uncertainty and disappointments associated with long chains
5. SPEED – We can purchase your property in a fraction of the time compared to selling in the usual way
6. FLEXIBLE MOVING DATES – There are no chains to dictate your moving date, giving you more flexibility and we also allow you the opportunity to stay in your previous property for up to two weeks after completion
7. WORRY AND HASSLE FREE – No waiting, no chains, no fall through or renegotiations gives you control over moving dates
8. GUARANTEED SALE – Avoid the risk of your sale falling through

The South Devon village of Kingskerswell, etymologically derives from the Old English 'Carsewell'; 'carse' referring to the 'local watercress', a plant that still grows freely in the area, and 'well' referring to the wells and springs in the vicinity; with 'Kings' relating to the royal ownership of the area. Sat upon an ancient foundation, and mentioned in the Domesday book, Kingskerswell is steeped in local history, including the village's parish church, St Mary's, which dates back as early as the 14th century.

Blakesley Estates have incorporated the area's rich history into their development of the site. The natural sandstone typical of the area is a central material used in the construction of the houses in the development. Karsbrook Green's name also incorporates the Old English 'carse' with the brook that runs through the area. Each of these elements also are present in the site's logo, reflecting the history and traditional housing style of the development.
